2024

ERMA
INTERNATIONAL
CONFERENCE
ON ERM

In a world where the quest for sustainability is more crucial than ever, we find ourselves at the intersection of innovation, community, and environmental stewardship. "Sustainable Symphony: Echoes of Change" invites you to join a transformative journey where the harmonious blend of diverse voices and ground-breaking ideas orchestrates a future of resilience and sustainability.

Much like an orchestra where every instrument plays a vital role in creating a harmonious performance, our approach to sustainability involves the coordinated efforts of individuals, communities, and organizations. Each contribution, no matter how small, resonates within the grand composition of progress, creating echoes of change that ripple through society.

Risk Beyond 2024 is the fourteenth International Conference in Enterprise Risk Management presented by ERMA. With hundreds of leading risk practitioners and decision makers from around the world, Risk Beyond 2024 offers its participants a special opportunity to gain valuable insights on the best practices of Governance, Risk Management, and compliance right from the very source.

Conference Session

Sustainable Symphony: Echoes of Change)))

Risk Beyond 2024 provides you a broad scope of insight in various issues, challenges, and cases that can be applied in real world settings. In addition, this event will also facilitate discussion and practice sharing about the situations that have been and will be faced from several different perspectives with their own experiences and approaches towards them, including regulators, policy makers, organizations, professionals, academicians, and society.

This event introduces a variety of topics such as:

- **AI for Sustainability:** Innovations and Impacts
- **Climate Risk and Resilience:** Preparing for a Changing World
- **Circular Economy:** Rethinking Waste and Resource Management
- **Sustainable Finance:** Aligning Investments with Impact
- **Decarbonization Pathways:** Strategies for a Low-Carbon Future
- **The Intersection of Technology and Sustainability:** Future Trends

And many others more

Why Attend?

Risk Beyond 2024 International Conference is the ideal interface for experts and practitioners from business, economics, technology, and other fields to create synergies to govern and manage risk. The program will provide insight on how risk management and risk governance creates stability and continuity of businesses by accommodating discussions through experience sharing on various issues from various perspectives.

Who Should Attend?

Risk Beyond 2024 International Conference is designed to meet the needs of risk professionals from various corporate functions including Board Members, C-level Officers, Directors, Managers, and Heads of Department in Regulatory and Supervisory Authorities, Auditing, Finance, Compliance, IT Auditing, Information Technology, Corporate Governance, Corporate Affairs, and many other corporate functions.
